I, _____, (print name) have completed the Robin’s Nest Children’s Home Intern Application to the best of my knowledge with integrity. I understand Robin’s Nest will require a background check to ensure the safety of all who serve at the ministry. I understand that submitting this application does not guarantee an internship and that various times of the year fill up quickly. I understand that an incomplete application can result in a longer response time and false misrepresentation will terminate my application.
